ACCOUNTS

School Fees are billed annually and are payable in full by the end of Week 4, Term 1. This date may only be extended if a College approved periodic payment plan is agreed to. Such a plan would permit weekly, fortnightly or monthly instalments so that all fees and charges are paid in full by the end of October 2018. An early payment discount of 2% (of the Tuition Fee and CRF only) is available to families who pay their annual School Fees in full, by the 19 January 2018. A monthly administration fee of \$13.20 (GST inclusive) will be charged to all accounts in arrears. Any dishonour fees the College incurs from financial institutions will also be passed on to the respective account.

ENROLMENT FEES

A \$250 Application Fee is payable when a family applies to enrol their first child in the Early Learning Centre, Primary or Secondary years. An additional \$250 Enrolment Fee is payable when an offer of enrolment is accepted by a family for their first child in Primary or Secondary years. These fees are non-refundable.

PARENT PARTICIPATION PROGRAM

Primary and Secondary families are billed an annual parent participation fee of \$392 at the start of the year. Families are asked to commit 16 hours' service to the College per year. Each hour completed will attract a \$24.50 credit which will be accumulated and credited against the fee account at the end of each term up to the value of \$392 per annum.

COLLEGE BUS

The College will continue to offer the Norwest Bus Service in 2018 for a non-refundable fee of \$150 per child per term. All Bus application forms need to be returned to the College by the 8 December 2017. These forms can be requested by contacting the College office.

VOLUNTARY CONTRIBUTIONS

Fees enable the College to meet operational costs, however new buildings, additions and major renovations are assisted by Building Fund donations. These donations are tax deductible and greatly appreciated.
